There are 2 different responsibilities forms because the 2 kind of competitions (Full Contact Specialties and Light Contact & Forms Specialties) are very different.

In fact in Full Contact Specialties (Full Contact, Kickboxing, Muay Thai, Sanda, MMA, K1) the K.O. (Knock Out) is allowed by the rules. For this important reason the Full Contact Specialties competitors need to be in possess of more and specific medical certifications.

The medical certification required and necessary for the Full Contact Specialties (Full Contact, Kickboxing, Muay Thai, K1/Sanda/MMA) it is the same required by International Sport Rules for the Boxe competitions.

THESE ARE THE NECESSARY DOCUMENTS IN ORDER TO ATTEND THE COMPETITIONS:

- 1) **MEDICAL CERTIFICATION VALID FOR THE YEAR ENDING 2017:** every competitor has to obtain this medical certification by his Doctor or Hospital or Recognized Medical Sport Structure. It is very important to remind you all that for the Full Contact Specialties (Full Contact, Kickboxing, Thai Boxe, K1) a special and more specific medical certification is required. It is the same medical certification required to compete in Boxe Competition with more specific examination as electroencephalogram.
- 2) **INSURANCE CERTIFICATION:** every competitor has to ask to his coach if he is in possess of the insurance certification. Usually it is the same certification valid for the activities in own country. But it is very important to be sure of it and if your national insurance certification is not valid for the competitions in Italy you have to obtain a new one valid for the WTKA World Championships.
- 3) **CHIEF DELEGATION RESPONSIBILITY FORM:** the Chief Delegation has to print it, fill, sign and send b fax to Organizing Committee.

4) PARENTS' AUTHORIZATION: it is necessary in order to admit to the Tournament all competitors less than 18 years old. The Parent of the competitors – 18 years old has to print it, fill, sign and send by fax or e-mail to the Organizing Committee.

5) SELF CERTIFICATION: you find it in this webpage. Every Competitor more than 18 years old has to print it, fill, sign and send by fax or e-mail to the Organizing Committee.

If you have some problems in order to print or fill these documents or if you need more information don't hesitate to contact the Organizing Committee.

This is a very important procedure to respect in order to attend the competitions so please contact us for any other info you need.
